To Those I Love and Those Who Love Me "I'm Free"

God say the road was getting rough
The hill was hard to climb
He gently closed those loving eyes
And whispered, peace be thine
The weary hours, the days of pain,
The sleepless nights are passed
The ever patient worn out frame
Has found sweet rest at last
You bade no one a last farewell
You said good-bye to none.
The heavenly gates just opened wide
And the Master's sweet voice said, "Come."
Sleep on and take your rest
We loved, but God loves you best.
